### About Housing Action Illinois

**OUR MISSION:** To increase and preserve the supply of decent, affordable, accessible housing in the state of Illinois for low and moderate-income households.

**OUR VISION:** To create a network of resources including community stakeholders, residents, businesses, government and housing experts working to strengthen communities by increasing the supply and availability of safe and affordable housing throughout Illinois.

**OUR VALUES:** Communities throughout Illinois thrive when families and individuals have a place to call home. Housing is a basic necessity and we believe that public policy and government spending should protect those in need.

**OUR PROGRAMS:** We support this mission and vision by building partnerships with grassroots organizations and individuals throughout Illinois. Housing Action seeks to achieve its mission through three distinct program areas: Training and Technical Assistance; Public Education and Organizing; and Public Policy and Advocacy.

*At Housing Action, our members, sponsors, and allies agree  
that a stronger Illinois begins at home.*
