**HUD Encourages Affiliation**

**Encouraging Counseling Networks.** HUD will provide increased support for grantees, such as Intermediaries and State Housing Finance Agencies (SHFAs) that manage networks of housing counseling agencies, in other words agencies that sub-allocate funding to sub-grantees and funded branches. Specifically, this NOFA is structured to encourage agencies that sub-allocate funding to sub-grantees or funded branches to expand their network, and encourage Local Housing Counseling Agencies (LHCAs) and agencies in order to form new partnerships to gain access to additional resources and cost savings. HUD counseling grants will be structured to provide grantees that manage networks of counseling agencies with additional resources to ensure quality, accountability, technical assistance support and information technology support for the network of housing counseling agencies that each Intermediary or SHFA represents.
